

Join Schneider Electric, AEG and MGM Resorts International for a symposium to learn more about the new Las Vegas Arena, opening Spring 2016. Hear from executives about the partnership, plans for the arena and solutions that will be incorporated into the facility, designed for U.S. Green Building Council LEED Gold standards. Following the symposium, you're invited to attend the Las Vegas Hockey Press Conference - a short walk away.

Date: Tuesday, February 10, 2015
