EVENTS (To register contact Joe Clausing—jclausing@mpnevada.com)

Sporting Clays (\$70 per person)

Hours: 2:00 PM Shotgun Orientation for Beginners
2:15 PM Safety Orientation (Mandatory)
2:30 PM—4:30 PM Sporting Clay Event

Description: Often called "Golf with a Shotgun", drive in a 4-person golf cart to 21 stations in a scenic sporting clay park. Each station presents a unique clay target fired at various speeds, angles, distances and elevations. The shooter with the most clay target hits, wins! Each cart will have a field shotgun for anyone to use. You may also bring your own shotgun. [Beginners welcome!](#)

Fee includes all clay targets, shotgun shells, eye and ear protection and cart rental. No equipment necessary, although you may bring your own equipment if you desire.

Handgun Range (\$30 Unlimited Use)

Hours: 2:00 PM— Dusk

Description: Bring your own handguns and ammo and shoot as much as you want at the outdoor handgun range. If you don't have a gun, there are guns for rent (field pricing) or other members may offer you to shoot theirs. A number of experienced shooters will be on hand to teach beginners the fundamentals of handgun shooting so this event would be for first time shooters and beginners.

Steel targets will be set up so paper targets are optional. Compete with fellow ASHRAE members, as several handgun competitions will be held all throughout the day.

Fee includes unlimited use of the handgun range, eye and ear protection.

Other Events (Field Prices)

You may also partake in other services offered at the range, but are not part of the ASHRAE event. They include the following:

- Rifle Range
- Gun rentals [including fully automatic machine guns!](#)
- Bar/Clubhouse
- Trap/Skeet shooting

All of these will be at your cost at the standard range pricing. See website for pricing details.

Rules and Regulations

- You may bring your own guns and ammo to shoot.
- Although the clubhouse serves alcohol, absolutely no alcoholic beverages are allowed before or during any shooting events. This will be strictly enforced. Feel free to drink after you are done shooting for the day.
- After the Sporting Clay event is done, there will be a small closing meeting and award presentation at the clubhouse.
- Afterwards, feel free to join fellow ASHRAE members as they bring their own personal firearm collections out to shoot at the range (NON-ASHRAE event.)
